

EXPERIENCE VIBRANT HEALTH, UNLIMITED ENERGY AND PEACE OF MIND

Vaidya Smita Naram

World-Renowned Pulse Reader, Healer & India's most recognized
Practitioner of Ayurveda, returns to
Australia & New Zealand August 2011

This is your opportunity to invest in your health.

The Key to YOUR VIBRANT HEALTH and your CHRONIC ILLNESS can be found in the Ancient Technology of PULSE READING, the Body's most Subtle Language.

Meet Vaidya Smita Naram and discover what is happening in your body, mind and emotions. Vaidya Smita Naram has rich and successful experience in helping thousands of patients worldwide suffering from arthritis, asthma, psoriasis, osteoarthritis, PMS, depression, hair loss, back pain, diabetes, obesity, infertility, high blood pressure, skin issues, childhood and many other chronic health issues.

A cofounder of Ayushakti Ayurved Vaidya Smita Naram is an international presenter, author and researcher. She teaches pulse reading internationally and is a specialist of Panchakarma (Ancient technology to detoxify and rejuvenate the body, mind and emotions.) Vaidya Smita Naram will expertly read and interpret your pulse, providing insights into your health problems, offering recommendations for effective herbal remedies and treatment from the world's oldest health care system, Ayurveda.

Powerful Testimonials

I was bed ridden in hospital in Munich Germany with M.S. and arthritis for 3 month with no results. Dr. Naram helped me with herbs, diet and lifestyle and now in 3 years, I can walk and drive my car. God give Dr. Naram a long life.
Erica - Munich

I was married for 18 years and trying hard to have a baby. I did every possible treatment in London and the US for tube block and low sperm count of my husband. I heard about Dr. Naram and started with pulse reading, herbs and diet. The most amazing result is that I have 2 health children. *Monica - India*

I was suffering from chronic rheumatoid arthritis, could not walk and in big pain. After showing Pulse to Smita Naram and having herbs. My 15 years rheumatoid arthritis disappeared. I can walk now. *Mohini - London*
